10 Days of Prayer & Fasting

Biblical Foundation for Fasting:

- Mark 9:29 - “And He said unto them, this kind can come forth by nothing, but by prayer and fasting.”
- Ezra 8: 21-23 - “Then I proclaimed a fast there, at the river of Ahaha, that we might afflict ourselves before our God, to seek of him a right way for us, and for our little ones, and for all our substance. For I was ashamed to require of the king a band of soldiers and horsemen to help us against the enemy in the way: because we had spoken unto the king, saying, the hand of our God is upon all them for good that seek him; but his power and his wrath is against all them that forsake him. So we fasted and besought our God for this: and he was intreated to us.”

What is a fast?

A fast is a period of time where you abstain from something; deny self from a desire. From a biblical standpoint it means to voluntarily reduce or eliminate your intake of food for a specific time and purpose.

How Should We Prepare for a Fast?

Spiritual Preparation

- Pray before you fast. Ensure that you communicate with God and seek His guidance regarding your fast. • Ask God to help you to examine your heart, detect and repent any unconfessed sins.

Physical Preparation

- Consult a doctor before fasting, in order to ensure that all of your vitals are stable.
- If you have severe medical maladies you should definitely have professional supervision while fasting.
- Decrease the amount of food that you eat a couple of days prior to the fast starting in order to prepare your mind, stomach, and appetite for less food.

THE MOST IMPORTANT TOOL IN PRAYER IS LISTENING FOR GOD'S DIRECTIONS FOR OUR LIVES!

God has unique relationships with all of us and therefore our prayer lives are unique as well. Sometimes we put unnecessary pressures on ourselves to pray like someone we have heard, when the most important thing that God wants from us, is for us to Seek His Face (Psalm 27:8), to look to Him, to love on Him, and continuously build a relationship with Him (John 15:14-15). A relationship with God is similar in one way to relationships with others, the more we communicate the stronger the relationship becomes. The communication is in fact our relationship. Prayer is the central component to our relationship with God.
